President's Message

Michael J. Albi

Hello Everyone,

Welcome to another edition of the Traffic Club of Baltimore's record! It is finally spring and I for one welcome it with open arms! It is that time of year to book your foursome for the Spring Golf outing which is scheduled for May 12, 2011 at Geneva Farms Golf Course. And our annual Crab Feast is right around the corner, Thursday, July 14, 2011 at Kurtz's Beach!

The Traffic Club of Baltimore's 98th Annual Dinner which was held on Thursday, March 3, 2011, and was another great success. Thanks go out to Charlie Atkinson and his entire committee for organizing another wonderful dinner! Once again, I would like to thank all of our sponsors and everyone who attended this great event. Without your support, it could not have happened. The monies raised from the dinner are just in time for our yearly distribution to the local charities and scholarship recipients.

Please be reminded that the Fiscal Year for The Traffic Club of Baltimore runs from May 1st through April 30th. As such, it is that time of year to renew your membership. For your easy reference, please find a copy of the membership renewal form in this issue of "The Record".

Make sure to visit our website, <http://www.trafficclubbalt.org> if you have not taken the time to recently. It is constantly updated with new event information and pictures from our past events.

This will be my last message as President of The Traffic Club of Baltimore. It has been an honor to serve in a club that is pushing 100 years of existence. This club has a very rich history and I am thankful that I am now part of its legacy.

Once again, Thanks to all of you for your continued support in the club. I look forward to seeing you all at our upcoming events!

Best Regards,

Michael J. Albi

President
